

MENTORSHIP PROGRAM

PROGRAM DETAILS MENTEE

- Are active PSA members
- Come prepared for our meetings
- Maintain the confidentiality of our conversations
- Make every effort to meet regularly as scheduled, with a goal of meeting at least every other month
- Set realistic and challenging goals for our relationship
- Communicate respectfully and give each other honest feedback
- Agree in advance on how problems and concerns will be raised and addressed
- Respect each others' time and contributions
- Evaluate our relationship regularly and assess our progress
- Clarify the goals I want to achieve in this mentoring relationship
- Take responsibility for setting up our meetings, proposing the agenda and arriving prepared, and sending materials in advance as appropriate
- Accept responsibility for my own learning and development
- Respect you as a mentor and play an active role in the mentoring process
- Develop other relationships with mentors to provide assistance that a sole mentor cannot provide alone
